Exhibit C

Authorized Representative Certification

SOLICITATION	RFQQ No.: _____
PROJECT	Compliance Support for a BEAD/NTIA Grant
RESPONDENT	Legal Name: _____
SUBMITTED TO	Inland Cellular, LLC

Certification

The undersigned certifies, on behalf of the Respondent identified above, that the undersigned is an Authorized Representative with authority to submit this response, make the certifications below, and bind the Respondent with respect to this RFQQ.

By signing this Exhibit D, the Authorized Representative certifies that:

1. **Authority.** The undersigned has reviewed the Respondent's submission and is duly authorized to execute and submit it.
2. **Accuracy and completeness.** To the best of the undersigned's knowledge after reasonable inquiry, the information, representations, qualifications, pricing, and supporting materials in the response are true, accurate, current, and complete in all material respects.
3. **Compliance capability.** The Respondent has the personnel, systems, experience, and capacity necessary to perform the proposed compliance-support services and will perform them in accordance with the resulting contract and applicable requirements.
4. **BEAD and NTIA requirements.** The Respondent acknowledges that services may support obligations arising under the Broadband Equity, Access, and Deployment Program, applicable National Telecommunications and Information Administration guidance, award terms, and approved grant requirements, as incorporated into the resulting contract.
5. **Federal and state requirements.** The Respondent will comply with applicable federal and Washington & Idaho State laws, regulations, award conditions, record-retention requirements, audit and monitoring obligations, and flow-down provisions relevant to its contracted scope.
6. **Eligibility and responsibility.** The Respondent is eligible to contract for the proposed services and will promptly disclose any suspension, debarment, exclusion, organizational conflict of interest, or other circumstances that could materially affect eligibility or performance.
7. **Conflicts and independence.** The Respondent has disclosed any actual or potential conflicts of interest known as submission and will promptly disclose conflicts that arise during evaluation or performance.
8. **Changes.** The Respondent will promptly notify the requesting firm of any material change affecting this certification or the response before award and during any resulting contract.

CERTIFICATION NOTICE

This certification supports the RFQQ response and does not replace any certification, assurance, or disclosure expressly required by the solicitation, the resulting contract, or the applicable grant award.
